WELCOME

Welcome to the Fairfield/Westchester branch of the Connecticut Green Building Council (SCTGBC) where professional membership meets to transform the way buildings and communities are designed, built and operated. We promote and support this mission through education, community outreach and advocacy.

Our primary goal is to serve the interests of our diverse membership. You will find here a [calendar](#) of events, [forums](#) and [news](#) focused on the Fairfield/Westchester County area. SCTGBC [committees](#) are listed and contact information provided. If you are interested in sustainability issues, we hope you will consider joining our organization and working with us to improve the built environment and quality of life in our local area.

Sept. 17: Live Green Connecticut! Expo in Norwalk

The SCTGBC is sponsoring and will be represented at the annual Live Green Expo in Norwalk. Celebrate and learn to 'Live Green' at our two day fun filled festival in Norwalk for all ages. Enjoy great food, eco-shopping, music, environmental speakers and exhibits. See and experience businesses that are showcasing their new technology to positively impact our lives and environment. Come away with tips and ideas that will save you money! For more information click this [link](#).
